

Malcolm L. Wrege Society Members

Created to honor the medical legacy of Dr. Malcolm Wrege, one of the founding surgeons serving Community Hospital East until his untimely death in 1976, The Malcolm L. Wrege Society has endowed more than \$1 million to support hospital programs. Wrege Society members collectively decide which Network projects and causes to support annually.

Membership in the physician society is an annual charitable gift of \$1,000 or more to the Malcolm L. Wrege Endowment. Members who have reached \$10,000 in cumulative giving are recognized as *Sustaining Members*, and those who have reached \$25,000 are *Visionary Members*.
